## LETTER FROM THE BOARD

### RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief and information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully  
On behalf of the Board  
**Uni-President China Holdings Ltd.**  
**LO Chih-Hsien**  
*Chairman*

*This appendix serves as an explanatory statement, as required under Rule 10.06(1)(b) of the Listing Rules to provide Shareholders with all information reasonably necessary which enables them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.*

## **1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by passing an ordinary resolution at a general meeting, either by way of a general repurchase mandate or by specific approval of a particular transaction.

## **2. SHARE CAPITAL**

As at the Latest Practicable Date, there were a total of 3,599,445,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no new Shares are issued and no Shares are repurchased for the period from the Latest Practicable Date up to and including the date of the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 359,944,500 Shares, representing 10% of the issued share capital of the Company as at the Latest Practicable Date.

## **3. REASONS FOR THE REPURCHASES**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders which enables the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares may be listed. Such repurchases may, depending on the then market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

## **4. FUNDING OF REPURCHASES**

In making repurchases, the Company may only apply funds legally available for such purposes in accordance with the Articles of Association and the laws of the Cayman Islands. The laws of the Cayman Islands provide that the amount of capital repaid in connection with a Share repurchase may only be paid out of either the capital paid up on the relevant Shares, or the funds of the Company that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of Shares made for the purpose of the repurchase. The premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the Company's share premium before the Shares are repurchased. In accordance with the laws of the Cayman Islands, the Shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

## 5. MATERIAL ADVERSE IMPACT IN THE EVENT OF REPURCHASE IN FULL

Taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period, it might have a material adverse impact on the working capital and/or gearing position of the Company as compared with the position as at 31 December 2013, being the date on which its latest published audited consolidated financial statements were made up. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

## 6. SHARE PRICES

The highest and lowest prices at which the Shares traded on the Stock Exchange in the previous twelve months and up to the Latest Practicable Date were as follows:

	<b>Highest</b> <i>HK\$</i>	<b>Lowest</b> <i>HK\$</i>
<b>2013</b>		
March	10.22	8.52
April	8.98	7.96
May	9.02	8.12
June	8.53	7.44
July	8.15	6.69
August	7.26	6.60
September	8.00	6.60
October	8.66	7.73
November	8.01	7.43
December	8.05	7.58
<b>2014</b>		
January	8.09	6.85
February	7.76	6.56
March (up to the Latest Practicable Date)	8.07	7.46

## 7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the laws of the Cayman Islands and in accordance with the regulations set out in the Memorandum of Association and the Articles of Association.

## 8. CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders at the Annual General Meeting. No connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the grant of the Repurchase Mandate is approved by the Shareholders at the Annual General Meeting.

## 9. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, Uni-President (the ultimate controlling shareholder of the Company) and Cayman President had interests or deemed interests in 2,537,090,000 Shares, representing approximately 70.49% of the issued share capital of the Company.

On the basis of 3,599,445,000 Shares in issue at the Latest Practicable Date and assuming there is no further issue or repurchase of Shares during the period from the Latest Practicable Date up to and including the date of the Annual General Meeting, if the Repurchase Mandate is exercised in full, the shareholding in the Company of Uni-President (the ultimate controlling shareholder of the Company) and Cayman President would be increased to 78.32% of the issued share capital of the Company. The Directors are not aware of such an increase would give rise to an obligation to, or any other Shareholder or group of Shareholders acting in concert may become obliged to, make a mandatory offer under the Takeovers Codes if the Repurchase Mandate was to be exercised in full. Assuming that there is no further issue of Shares between the Latest Practicable Date and the date of repurchase, the exercise of the Repurchase Mandate, whether in whole or in substantial part, will result in less than 25% of the issued share capital of the Company being held by the public as required by Rule 8.08 of the Listing Rules. The Directors have no present intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than the prescribed percentage of 25%.

## 10. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares have been made by the Company during the last six months immediately preceding the Latest Practicable Date (whether on the Stock Exchange or otherwise).
